

Celebrating 2 years!

COMMERCIAL AND DOMESTIC CLEANING SERVICES

throughout Southport, Ormskirk, Liverpool, Preston, Wigan and West Lancashire

Feather Flickers have come a long way in two years!

The company started trading in May 2008 and initially provided regular domestic cleaning services in the Southport area only.

Now it provides a very broad base of cleaning services including one off cleans, office cleaning, carpet cleaning, end of tenancy cleaning, communal cleaning, after builders cleaning, oven cleaning and an ironing & shopping service to the domestic, commercial, industrial and public sectors in an area spanning throughout Southport, Ormskirk, Preston, Liverpool, Wigan and West Lancashire and currently employs 25 people on it's payroll.

Feather Flickers have also been awarded the contract again from IMG, the world's premier and most diversified sports, entertainment and media company at this year's open golf tournament in St Andrews, this is the third time after having undertaken the contract at Royal Birkdale in 2008 and Turnberry in 2009 and a team of 8 people will be leaving the offices of Feather Flickers for nine days from 11th July to clean the IMG main base, 2 other bases and

more than 20 residential properties being rented by some of the best known golfers in the world - please see image below of a recent staff meeting preparing for the St Andrew's tournament.

So why choose us? We don't expect you to sign a contract - there is a good reason for this - We like to do business the old-fashioned way: with a handshake, because our word is our bond. Every single one of customers is free to take their business elsewhere at any time - but choose not to. Our success is built entirely on the standard of cleaning and quality service that we provide.
