NORTH & WESTERN
LANCASHIRE
CHAMBER of
COMMERCE

A husband and wife team have been ruffling a few feathers in the cleaning trade with their new business.

Dynamic duo Ruth and Greg Gottig started Feather Flickers in May 2008, determined

to provide a high quality and professional service to the areas they cover.

Greg know's what it takes to establish a successful business as the youngest ever

Chairman of Sefton Chamber of Commerce. He is also the managing director of the thriving Beaufort Hotel in Burscough and the Best Western Stutelea Hotel in Southport.

Tarleton based Feather Flickers firm, part of the Gottig's Warner House Companies Ltd guarantees 100% satisfaction and the best value for all cleaning needs whether in the home or at the office.

The couple got the idea to start a cleaning business after Ruth, described by Greg as "meticulously clean", was repeatedly asked if she had thought about cleaning for others.

Feather Flickers successfully undertook a large contract for IMG, the world's premier and most diversified sports, entertainment and media company during the Royal Birkdale Open Golf Championship in July.

So why choose Feather Flickers to clean your home or office?

Firstly, the quality of staff. The company's friendly and presentable workforce are highly trained, uniformed and have undergone a Criminal Records Bureau check, so that you know you can trust them.

Secondly, the company is fully insured to protect against breakages or accidents in your home or business. Of course, such instances are extremely rare, but Feather Flickers are determined to cover every eventuality.

Thirdly, the convenience. Feather Flickers will provide all the equipment and materials needed to leave your home or office sparkling and are flexible.

Usual cleaning hours are between 9am and 4pm but the company can fit around your schedule and can arrange to work in the evening or weekends if you so require.

The company offers a wide range of services including daily, weekly, fortnightly or monthly cleaning designed around your schedule.

Spring-cleaning and one off cleans can also be arranged to fit around your life to reduce hassle.

Another service is end of tenancy cleaning. Everyone knows that moving home can be a stressful experience and making sure your property is spotless before leaving can be a strain. So why not leave it to the professionals? Feather Flickers will disinfect, deodorize and buff the property, leaving it perfect.

So if you need a professional, flexible, thorough and reliable cleaning service ring Feather Flickers for a no obligation quote. Representatives of the company will even come out to your home or office free of charge to assess your needs.

Areas covered: Southport, Banks, Hesketh Bank, Tarleton, Rufford, Burscough, Ormskirk, Aughton, Longton, Walmer Bridge and Hoole.
